TGI *Designed To Last*

As the line between indoor and outdoor living spaces becomes increasingly blurred, TGI aims to satisfy those who furnish the outside with the same passion expended indoors.

By integrating a design aesthetic, premium quality materials, and production methods that ensure unyielding structural integrity, TGI becomes synonymous with high quality, beautiful, comfortable and durable furniture that can be enjoyed for decades.

Sling

Textilene® brand sling, a superior all-weather fabric made of woven vinyl-coated polyester yarn, is especially beneficial for use in outdoor furniture. It is strong and durable, fade and mildew resistant, breathable and easy to clean. When stretched between TGI's corrosion resistant, fully welded, powder coated aluminum frames, Textilene® provides unparalleled seating comfort by molding to your body shape.

Wicker

VIRO™ brand through-dyed weatherproof wicker is a superior quality synthetic fiber, which provides flexibility, strength and durability, as well as fade, weather and tear resistance. VIRO™ adds maintenance free comfort and longevity to the classic style of traditional wicker furniture. TGI's weatherproof wicker furniture is made by weaving VIRO™ over corrosion resistant, fully welded, powder coated aluminum frames.

Marbella Modular Deep Seating

The Marbella deep seating collection provides a wide range of lounging possibilities. It is a modular system that was designed with comfort and space planning in mind, and allows one to create countless settings of lounge chairs, sofas, ottomans, chaises, day beds, and sofa tables. Be inspired!

TGI offers optional, easily attachable, 7 cm high stainless steel legs so that the deep seating modules can be raised to traditional sofa height.

Teak

Teak, a dense, tightly-grained hardwood with a high natural oil, resin, silica and rubber content, is nearly impervious to the effects of sun, rain, snow and salty air. Unparalleled decades-long weather resistance of mature growth teak, combined with the superior structural integrity achieved by kiln drying and machine crafting, produce TGI teak furniture that is maintenance free and designed to last a lifetime.
